

## **G. S. JENNSSEN BIO**

### **BRIEF:**

G. S. Jennsen is a science fiction author, as well as a futurist, geek and gamer. She lives in Colorado with her husband and their two furry, four-legged children. She has been a corporate attorney, software developer, editor, and is now a full-time author.

### **COMPLETE:**

G. S. Jennsen lives in Colorado with her husband and two dogs. *Rubicon* is her eighth novel, all published by her imprint, Hypernova Publishing. She has become an internationally bestselling author since her first novel, *Starshine*, was published in March 2014. She has chosen to continue writing under an independent publishing model to ensure the integrity of the *Aurora Rhapsody* series and her ability to execute on the vision she's had for it since its genesis.

While she has been a lawyer, a software engineer and an editor, she's found the life of a full-time author preferable by several orders of magnitude, which means you can expect the next book in the *Aurora Rhapsody* series in just a few months.

When she isn't writing, she's gaming or working out or getting lost in the Colorado mountains that loom large outside the windows in her home. Or she's dealing with a flooded basement, or standing in a line at Walmart reading the tabloid headlines and wondering who all of those people are. Or sitting on her back porch with a glass of wine, looking up at the stars, trying to figure out what could be up there.
